MOON over BUFFALO

*“MOON
OVER
BUFFALO
is hilarious!
An evening
of farcical
delight. Go
and enjoy!”*

*— New York
Post*

by Ken Ludwig

MOON OVER BUFFALO is presented by special arrangement with SAMUEL FRENCH, INC.

A hilarious comedy, MOON OVER BUFFALO centers on a couple of over-the-hill actors trying to keep their marriage and their ragtag touring company afloat. In Buffalo, New York, there's suddenly one last shot at stardom--film director Frank Capra is rumored to be arriving for their matinee and might sign them to a Hollywood contract. But this is fun-filled farce at its finest so everything that can go wrong does go wrong. It's the perfect recipe for an evening of madcap, door-slamming, belly-laugh adventures.

“One of the best Christmas stories ever - and certainly one of the funniest.”

– The Seattle Times

by Barbara Robinson
Presented by special arrangement with
SAMUEL FRENCH, INC.

You CAN'T Take It With YOU

*“Both
genuinely
funny and
truly heart-
warming.”*

– The Guardian

by Moss Hart and George S. Kaufman
Presented by special arrangement with
Dramatists Play Service, Inc., New York

This classic screwball comedy won the Pulitzer Prize in 1937 and it's been entertaining audiences ever since. Set in the large house of a rather batty New York family, sweet-natured Alice falls for banker's son Tony. When her snooty, prospective in-laws arrive for dinner, the event is a disaster, capped with the arrest of everyone in the household. Madcap, warm, life-affirming...the New York Times calls this the “rare play that will have you beaming from curtain to curtain.”

If you're a fan of "The Golden Girls," you'll love this hilarious and touching comedy about friendships that last forever.

By Jessie Jones, Nicholas Hope, Jamie Wooten
Presented by special arrangement with
Dramatists Play Service, Inc., New York

Five Southern women, whose friendships began many years ago on their college swim team, set aside a long weekend every August to recharge those relationships. We focus on four of those weekends, spanning more than 30 years. When fate throws a wrench into one of their lives, these friends prove the enduring power of "teamwork," rallying with the strength and love that takes this comedy in a poignant and surprising direction.

By Agatha Christie

Eight guests who have never met each other (or their apparently absent host and hostess) are lured to an island. Throw in two house servants and you have ten guilty strangers, marooned. One by one, each is accused of murder; one by one they begin to die, each demise followed by one little toy soldier falling from the mantel...until there were none. Who will be next?
