ATTENTION HIGH SCHOOL STUDENTS!
Join our SUNSET ACTLETES Team!

This unique, empowering program provides high school students the opportunity to explore theater and create work based on their own ideas, initiative, and perspective.

- Actletes participate in classes, workshops, rehearsals, and performances.
- Actletes explore a variety of performing arts topics: acting, singing, dancing, stage combat, improvisation, history, and more!
- Actletes engage in every step of the theatrical process: producing, managing, writing, performing, directing, designing, and so forth.
- Actletes produce two shows; a musical or play in Fall and an original work in Summer.
- Actletes meet once a week October 2015 – August 2016 with additional rehearsal just prior to performances.

Participation in the Sunset Playhouse ACTLETES program is free-of-charge due to a generous grant from The Wisconsin Arts Board.

Fairies, Wizards, Trolls, Dragons, Magicians...what type of magical creature would you want to be? Telling magical tales and exploring our own magical imaginations is key to unlocking the merriment. Each week, we will use imaginative play, visual arts, costumes, music, and movement to travel to magical lands and be magical characters. Think of it as a little bit of acting, a little bit of singing, a little bit of dancing, and a whole lot of fun. Adults come along for the fun in the 2 – 3 year old class.

Elephant and Piggie, Knuffle Bunny, Pigeon, and more! Enter the fun and fantastic world of popular author Mo Willems. Students will use theater games and exercises to explore the basics of acting while learning ensemble-building skills and gaining self-confidence. Each day we'll go on a grand adventure using Mo Willem's books as a springboard and expand our ability to tell a story using the tools of every actor: our voice, body, and imagination. Students will perform a play for family and friends on the last day of class.

Brush Up Your Shakespeare

Ages 9 – 11 yr	Mondays 5:45 – 6:45	\$80

Shakespeare's words come to life as students explore the Bard's writings. Discover the fun of Shakespeare through period insults, renaissance songs and lively scene work. By exploring sonnets, monologues, and scenes and using script analysis, movement techniques, and other acting tools, students will begin to unlock the power (and fun) of Shakespeare's plays. Students will present work fit for The Globe on the last day of class.

Musical Theater

Ages 6 – 8 yr	Tuesdays 4:30 – 5:30	\$80
Ages 9 – 11 yr	Tuesdays 5:45 – 6:45	\$80

This class introduces vocal technique, movement, and acting skills through some of Broadway's most popular musicals. Working on material from the Great White Way will build the confidence and skill of young performers. Students will put their singing, dancing, and acting skills together to present a Broadway performance for family and friends on the last day of class. Explore the magic of musical theater!

Jukebox Musical

Ages 12 – 15 yr	Wednesdays 5:45 – 6:45	\$80
------------------------	-------------------------------	-------------

A jukebox musical is a musical that uses previously released popular songs as its musical score...Rock of Ages, Jersey Boys, Mamma Mia, Motown: the Musical... to name a few. During this session students will partner with the instructor to create their own jukebox musical scene. Working with a popular song, students will write a scene in which the song is included, sing the song, and learn choreography. They will present their original musical for family and friends during the final session.
