SUNSET BOARD PRESIDENT

*Nora Werra*

This past year as your President has flown by and so have the previous five years that I served on your Board of Directors. Which means that I must step away at the end of September. Our bylaws allow two three-year terms and before requiring a break. This is a good practice for us! It allows us the opportunity to bring forward new people and also to bring back previous board members to serve again.

When you look at the balance sheet in this annual report, it will make you smile! The Playhouse is in good financial shape. Our balance sheet is in the **black**. And we have made significant progress in reducing our mortgage and updating our facilities!

In our two theater spaces, we staged 34 productions during our season, which is 219 individual performances! You will not find any theater that does this anywhere in the state or probably the Midwest. These productions are a mix of community and professional entertainment and an outstanding School for the Arts (with participant waiting lists). We can be so proud of these accomplishments.

I want to thank our Artistic Director, Nancy Visintainer-Armstrong and all who make it happen. We are blessed with our great staff, volunteers, performers, directors, and producers. And all of our patrons and donors have shown their love for the Playhouse with their attendance and their generosity. We thank you all!

On to our 60th season and a very exciting one it will be!

Sincerely,  
Nora Finnigan Werra

ARTISTIC DIRECTOR

Nancy Visintainer-Armstrong

I'm sure you'll agree that our 2018-19 season was supercalifragilisticexpialidocious!

We flew Mary and Burt across our stage in MARY POPPINS, we couldn't stop the beat in HAIRSPRAY, we solved the mystery in A MURDER IS ANNOUNCED, we enjoyed an evening of Disney with Musical MainStage's WONDERFUL WORLD OF WALT concert, and we hootenaned our hearts out for the SideNotes Cabaret, DON'T THINK TWICE IT'S ALL FOLK.

At Sunset Playhouse, the 2018-19 season meant non-stop productions, and the offerings were varied, exciting, and not to be missed! Our Furlan Auditorium hosted an array of memorable productions, Musical MainStage Concerts, and School for the Arts Junior musicals, while our Marla Eichmann Studio Theater offered SideNotes Cabarets, bug in a rug and School of the Arts performances, and many Special Events. In total, our patrons enjoyed three musicals, five plays, two junior musicals, half a dozen Musical MainStage Concerts, six SideNotes Cabarets, three bug in a rug children's shows, two kids' musicals, as well as several exciting, unique events. No other theater in the Midwest can claim so many productions in one season!

At the close of 2018, we presented our annual New Year's Eve Gala: PUTTIN' ON THE RITZ. This sold-out event featured area performers singing classics from the American Songbook and included raffles, hors d'oeuvres, and a champagne toast at midnight to ring in the new year. It was a great time for all AND we were pleased to raise significant funds for the Playhouse.

Finally, Sunset continues to actively seek and welcome new volunteers. We hope you will continue to be part of the Playhouse and encourage your friends and family to become members of the Sunset family.

Remember, Entertainment Begins at Sunset, and I hope to see you during our 2019-20 season when we will be celebrating our Sparkling Sixtieth Season with wonderful productions and many special events!

Sincerely,

Nancy Visintainer-Armstrong

LEADING LADIES

SUNSET PLAYHOUSE

School for the Arts

The mission of Sunset's School for the Arts is to provide programs that enable young people to acquire knowledge and skills in the performing arts, as well as gain lifelong interest in the arts and culture. The School for the Arts offers weekly classes for all children ages 3 – 17, specialty workshops, performing arts camps, and two fully-staged junior musicals.

SUNSET PLAYHOUSE

bug in a rug CHILDREN'S THEATER

A three-show series produced by the School for the Arts. In addition to in-house performances, Sunset's bug in a rug productions tour area elementary schools, preschools, libraries, and community centers where thousands of children experience, many for the first time, the joy of live theater.

DIRECTOR OF EDUCATION

Erica Navin

Dear Sunset Stars:

The arts teach students innumerable lessons – practice makes progress, small differences can have large effects, collaboration leads to creativity. The arts also teach children that there are several potential paths when approaching challenges and that each of them might have more than one solution. And let's face it – the arts inspire children to play and to have fun!

The mission of Sunset Playhouse includes an emphasis on education. Our renowned School for the Arts has been educating and entertaining children for more than fifty years. We nurture self-confidence, encourage collaboration, and value each student who participates in our programs as a unique individual.

Our 2018-19 School for the Arts season saw great success in the growth of youth in the arts. Year-round programming welcomed over 450 students, and our School for the Arts and bug in a rug performances brought more than 2,500 patrons through our doors. Our school educated over 1200 students at off-site locations through after-school classes, in-class workshops, high interest days, and Girl Scout/Boy Scout workshops. Our bug in a rug series performed for 14,000+ children in more than 70 traveling performances.

This season, in addition to our two JR musical productions, we produced two KIDS musicals. This resulted in full performance opportunities for 110 students and numerous patrons. Thanks to generous donations from School families and patrons, we were able to offer two student audience performances of our two JR Musicals free of charge to Milwaukee Public School Elementary students.

I am proud to report all of these fantastic numbers for our School for the Arts. But more importantly, we are proud of the experiences Sunset is able to provide for students. I, the teaching staff, and professional performers work hard to inspire a new generation of theater patrons, volunteers, and participants. In a time when technology has become a huge part of our life experience, I am proud that Sunset Playhouse provides vibrant opportunities for students to connect in person, use their imagination, take risks, and build confidence.

See you at the theater!

**SPONSOR A SUNSET SHOW**

There are many great opportunities to sponsor a Furlan Auditorium Production, Musical MainStage Concert, A SideNotes Cabaret Show or a bug in a rug Children's Theater Show. A sponsor is recognized in the show's program, in the advertisements and eblasts for the show, and on Sunset's website.

A sponsor of a Furlan Auditorium Production receives 50 tickets to the show and the use of the Studio Theatre for a pre-show reception. Following the performance, the sponsor's guests may return to the Studio Theatre to continue their party and meet the cast members at this post-performance reception.

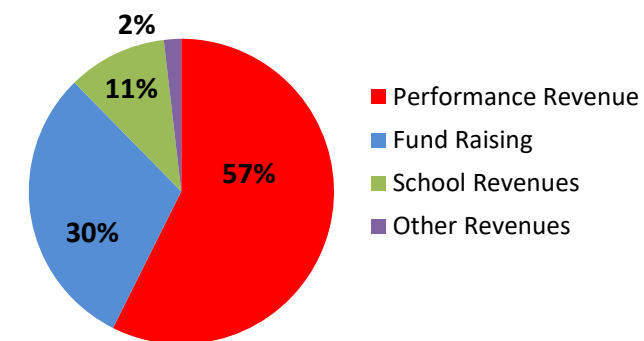

**ADVERTISE IN A SUNSET PROGRAM**

The Sunset Playhouse produces its own program. There are eight programs per season. There are 2150 performances in a season showing to 30,000 to 35,000 people. The audience of the Sunset Playhouse is composed primarily of Milwaukee and Waukesha County residents with the resources to attend the theater and patronize our advertizers. An ad in one or the entire Furlan Auditorium Production Season is a perfect opportunity for businesses to reach a loyal customer base while supporting the Sunset Playhouse.
