FURLAN AUDITORIUM PRODUCTION

***RUN FOR YOUR WIFE** has delighted audiences with smash-hit runs all over the world. So jump in the taxi where you'll laugh until you cry.*

By Ray Cooney
Presented by special arrangement with
Concord Theatricals on behalf of SAMUEL FRENCH, INC.

John Smith, a happy London taxi driver with an irregular working schedule, has one little problem. He is married. TWICE! Wife number one, Mary, lives in Wimbledon and second wife Barbara in Streatham – just five minutes apart by taxi! John keeps to a rigorous schedule so that the two will never meet and everyone is blissfully happy, especially John!

One day, heroically intervening in a mugging, John is taken to the hospital with a concussion. The police become involved. John panics and enlists the help of clueless neighbor Stanley. Bad choice! The more they lie to keep our hero's double life from exploding, the deeper the hole they dig, and the more the situation goes horribly, but hilariously, wrong.

WAIT
UNTIL
DARK

*A roller-coaster
ride that leaves
the audience
giddy from
terror!*

By Frederick Knott
Adapted by Jeffrey Hatcher
Presented by special arrangement with
Dramatists Play Service, Inc., New York.

Susy Hendrix, a blind Greenwich Village housewife, becomes the target of three con-men searching for a missing doll. As the climax builds, Susy realizes that her blindness might be the key to her escape, but she and her tormentors must wait until dark to play out this classic thriller's chilling conclusion.

Set in 1944, Hatcher's adaption gives the show a film noir twist, heightening the suspense and paranoia.

*Considered by
many to be the
most charming
musical ever
written, SHE
LOVES ME
is a warm,
romantic
comedy perfect
for the holiday
season!*

Book by Joe Masteroff
Music by Jerry Bock, Lyrics by Sheldon Harnick
Based on a Play by Miklos Laszlo
Originally Directed and Produced on Broadway
by Hal Prince in Association with
Lawrence N. Kasha and Philip C. McKneen
Original Orchestrations by Don Walker
Adapted by Frank Matosich, Jr.
Presented by special arrangement with
Music Theatre International (MTI).

Set in a 1930s European perfumery, we meet shop clerks Amalia and Georg who don't see eye to eye. After each responds to a "lonely hearts advertisement" in the newspaper, they live for the love letters that arrive regularly from their unknown admirers. Join Amalia and Georg as they discover the identity of their true loves, with plenty of twists and turns along the way!

*Four acts of love...
or something
like it.*

*What happens
in Las Vegas...is
hilarious!*

By Nancy Frick
Presented by special arrangement with
Concord Theatricals on behalf of
SAMUEL FRENCH, INC.

Sandy, the four-times-married-three-times-divorced owner of a wedding chapel in Las Vegas, has certainly seen her fair share of matrimonies! We witness four of her funniest and most memorable:

Bev and Stan, who are getting married by the King himself as revenge on their exes.

Vanessa and Bryce, two arrogant, aging stars who are tying the knot as a publicity ploy.

Martin and Fiona, a gentle postal worker and a tough ex-con trying to get married before the police arrive.

And the final, most touching of all, Sandy's fifth and final wedding to the love of her life.

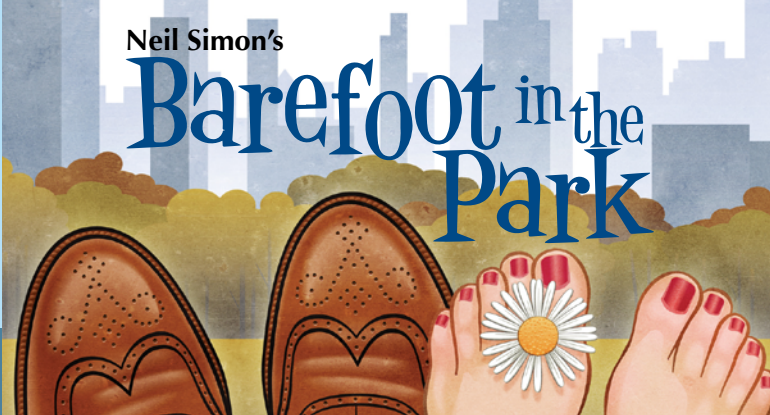

Suggested for mature audiences due to language.

***BAREFOOT IN
THE PARK will
lift your spirits
and feed your
soul.***

By Neil Simon
Presented by special arrangement with
Concord Theatricals on behalf of
SAMUEL FRENCH, INC.

Paul and Corie Bratter are newlyweds in every sense of the word. He's a stuffy, ambitious young lawyer and she's a romantic, free spirit. After a six-day honeymoon, she's found the perfect apartment, a tiny fifth floor walk-up in Greenwich Village. Neil Simon's first play and launchpad for his reign as the king of Broadway comedies.

BAREFOOT IN THE PARK, award-winning playwright Neil Simon's longest-running hit, is the tenth longest-running non-musical play in Broadway history!

An Inspector Calls

**“THE
PRODUCERS
+ SPAMALOT
+ THE BOOK
OF MORMAN.
Squared!”**

New York Magazine

Book by Karey Kirkpatrick and John O’Farrel
Music and Lyrics by Wayne and Karey Kirkpatrick
Conceived by Karey and Wayne Kirkpatrick
Presented by special arrangement with Music
Theatre International (MTI).

Set in the Middle Ages, brothers Nick and Nigel Bottom are desperate to write a hit play but stuck in the shadow of that Renaissance rock star known as “the Bard.”

When a local soothsayer foretells that the future of theater involves singing, dancing, and acting at the same time, the boys set out to write the world’s very first musical.

With big song and dance numbers and a wacky cast of over-the-top characters, the musical received show-stopping standing ovations from Broadway audiences - from the top of the first act!

Suggested for mature audiences due to adult themes.

*Audience
members will
be on the edge
of their seats
throughout the
performance,
wondering where
the investigation
will take them
next.*

By JB Priestley
Presented by special arrangement with
Dramatists Play Service, Inc. New York.

An Inspector Calls is set in April, 1912 at the home of the well-to-do Birling family. Arthur Birling, a self-made businessman, wife Sybil, daughter Sheila, and son Eric are enjoying a spot of port in the drawing room after dinner. As the family revels in their good fortune and position in society, they are interrupted by an unexpected visitor.

A young, working class woman has committed suicide and suddenly this respectable British family is caught up in an inspector’s routine inquiry. As his investigation unfolds and the family begins to reveal their true character and closely-held secrets, all members become implicated in the girl’s undoing.

*Stop
the presses!
This Disney
film turned
Tony-winning
Broadway
hit inspires
everyone to fight
for what's
right and seize
the day!*

Book by HARVEY FIERSTEIN
Music by ALAN MENKEN
Lyrics by JACK FELDMAN
Based on the Disney Film written by
Bob Tzudiker and Noni White
Originally produced on Broadway by
Disney Theatrical Productions
Presented by special arrangement with
Music Theatre International, (MTI).

Set in turn-of-the century New York
City, NEWSIES is the rousing tale of Jack
Kelly, a charismatic newsboy and leader
of a band of teenaged newsies. When
titans of publishing raise distribution
prices at the newsboys' expense, Jack
rallies newsies from across the city to strike
against the unfair conditions and fight for
what's right!

Based on the 1992 motion picture and
inspired by a true story, NEWSIES is perfect
for the whole family!

Believe in yourself and there isn't anything you can't do!

TESSA'S TIP-TAPPING TOES | February 16 - 19, 2022

Other mice scurry, but not Tessa. She boogies, bops shimmies, and hops. One day, Mrs. Timboni brings home Oscar the cat—but Oscar is no ordinary cat, he loves to sing! Is it any wonder that there's magic in the air when Tessa and Oscar meet?

HEY DIDDLE DIDDLE | May 11 - 14, 2022

We all know the story of the cat, the cow, and the dog - now hear bug in a rug's original twist on this classic nursery rhyme. Our music-loving cat is just the muse our gravity-defying cow needs to overcome her fears and the pressure from

the teasing dog. Join us for this fun musical adaptation of a story we all know and love. Discover what it takes to reach your star quality goals!

Sundays at Sunset

Bring your lawn chairs and join us on the north lawn for our special OUTSIDE 1-hour fundraiser concerts.
(If it rains, we will move into the Marla Eichmann Studio Theater)

Bipolar Ionization System at Sunset!

Thanks to a very generous donor, Sunset has installed a Bipolar Ionization system throughout the building to make it even safer to work, volunteer, or attend shows at the Playhouse. This system kills pathogens, reduces airborne particles, neutralizes odors, and saves energy.

BPI works by introducing a high concentration of positive and negative ions into the airstream. As airflow is distributed throughout a space, these ions surround pathogens including viruses, mold spores, and bacteria and deactivate them by removing the hydrogen they need to survive. Airborne particulates like dust, pollen, and other allergens are reduced when positively- and negatively-charged ions cause them to clump together, allowing for improved filtration capture. BPI technology also provides odor neutralization and can help save energy by reducing outdoor air intake needs.

This system is completely safe and neutral for humans and does not produce ozone. We're excited to welcome everyone to our safer and cleaner building!
