Global Plasma Solutions-Bipolar Ionization System at Sunset Playhouse

Thanks to a very generous donor, Sunset has installed the GPS Bipolar Ionization System throughout the Playhouse. This system kills pathogens, reduces airborne particles, neutralizes odors, and saves energy. To date, we are one of the few theaters in the state to install this powerful system.

Hearing Loop System at Sunset Playhouse

Sunset Playhouse is now equipped with a hearing loop system in the Furlan Auditorium. Turn on the T-coil in your hearing aid or cochlear implant. Not sure if you have a T-coil? Check with your hearing care provider and get it activated, if it isn't already. Headsets are also available for non-loop equipped patrons at the Box Office—first come, first served. A driver's license or credit card is required as a deposit.
