FURLAN AUDITORIUM PRODUCTION

Check into the Howard Johnson for the laughs, stay for the unpredictable mayhem!

By Sam Bobrick & Ron Clark
Presented by special arrangement with Concord Theatricals

Is all fair in love? Even murder? That's the question posed by this light and funny suspense comedy set in a Howard Johnson Motor Inn.

The play presents a love triangle involving a woman, her lover, and her husband in three parts. In the first scene, the wife and her lover plot to murder the husband. In the second, the wife and her husband are plotting to murder the lover. The final scene finds the husband and lover plotting to murder the wife, but this attempt, like the others, fails.

PIPPIN

We've got magic to do!

We've got magic to do - just for you!

Music & Lyrics by Roger O. Hirson and Stephen Schwartz
Originally directed on the Broadway stage by Bob Fosse
Presented by special arrangement with Music Theatre International

Heir to the Frankish throne, young prince Pippin is in search of the secret to true happiness and fulfillment. He seeks it in the glories of the battlefield, the temptations of the flesh, and the intrigues of political power. In the end, Pippin finds that happiness lies not in extraordinary endeavors, but rather in the unextraordinary moments that happen every day.

With an infectiously unforgettable score from four-time Grammy winner, three-time Oscar winner and musical theater giant Stephen Schwartz, PIPPIN continues to captivate audiences worldwide.

Suggested for mature audiences only.

Bipolar Ionization System at Sunset!

Thanks to a very generous donor, Sunset has installed the GPS Bipolar Ionization system throughout the Playhouse. This system kills pathogens, reduces airborne particles, neutralizes odors, and saves energy. To date, we are one of the few theaters in the state to install this powerful system.

Hearing Loop System at Sunset Playhouse

Sunset Playhouse is now equipped with a hearing loop system in the Furlan Auditorium. Turn on the T-coil in your hearing aid or cochlear implant. Not sure if you have a T-coil? Check with your hearing care provider, get it activated, and enjoy the show.
